

ACES NOTIFICATION # 49:

ATTENTION: ALL CONTRACTING AGENCIES AND
SCHOOLS

State and CSU's please disregard

Due to the number of phone calls from contracting agencies seeking clarification of the use of the home and employer ZIP code for selecting a health plan and region, we are providing the following information:

ZIP codes are used to determine the health plans and regions in which employees are eligible to enroll. Consistent with CalPERS Board of Administration policy, an employee may choose either their home or current work address ZIP code to establish their eligibility in a region. They should receive their medical services within that area, but are not mandated to do so.

If you did not receive this Notification by e-mail, contact your Account Administrator or call us at (888) CalPERS (225-7377) to confirm your e-mail address.
